Collection of Information:

We collect personally identifiable data and information, like names, postal addresses, telephone number, email addresses etc. as well as any other non-public information about you that is associated with or linked to any of the foregoing data. The information you provide is used to fulfill your specific request. This information is only used to fulfill your specific request, unless you give us permission to use it in another manner, for example to add you to one of our mailing lists.

You are completely free to not provide any such data or information. Providing any such personal data or information whether directly or indirectly is absolutely voluntary. If case such information is not provided, you may not be able to access the Website. Any such personal data or information shared and provided may be done with the knowledge and consent that all such information and data collected may be used, at a destination in or outside the territory where it is collected.

The personal data and information is provided to us by you out of your own free will and after reading and understanding this Privacy Policy We store this data in our servers but the access to this data is highly restricted and we do not use this information except in the manner and for the purpose specified herein. Any personal data or information collected may be retained for such periods as may be required and considered fit and desirable unless otherwise required under any law for the time being in force.

Log Files

UWB follows a standard procedure of using log files. These files log users when they visit the Website. All hosting companies do this and a part of hosting services' analytics. The information collected by log files include internet protocol (IP) addresses, browser type, Internet Service Provider (ISP), date and time stamp, referring/exit pages, and possibly the number of clicks. These are not linked to any information that is personally identifiable. The purpose of the information is for analyzing trends, administering the site, tracking users' movement on the website, and gathering demographic information.

Cookie/Tracking Technology:

The Website may use cookie and tracking technology depending on the features offered. Cookie and tracking technology are useful for gathering information such as browser type and operating system, tracking the number of users to the Website, and understanding how users use the Website. Cookies can also

help customize the Website for users. Personal information cannot be collected via cookies and other tracking technology, however, if you previously provided personally identifiable information, cookies may be tied to such information. Aggregate cookie and tracking information may be shared with third parties.
